

That's So Raven Lost Episode

INT. AIRPORT TERMINAL

Raven and her family are waiting for their flight. Her brother Corey is working on his homework while Raven is reading a teen magazine.

COREY

Raven, could you help me with my Arabic homework? I'm having trouble conjugating these verbs.

RAVEN

Corey, I'm still on vacation until we land safely in San Fransisco. Homework is not on the agenda.

TANYA

Now, now children. Let's not start fighting now, we had a lovely vacation in Baltimore and nothing bad happened. Let's count our blessings.

RAVEN

Yes mother.

RAVEN is struck by premonition. She astral projects into a man's point of view.

PILOT V.O.

Good morning passengers, this is United flight 93 with service to San Francisco. The weather is great and we are on schedule.

The man is holding a box cutter. He walks towards the cockpit and starts yelling in Arabic. He hijacks the plane and her premonition ends.

RAVEN

(To herself) Oh god, Corey is going to hijack the plane.

RAVEN looks in her purse and finds a box cutter.

RAVEN

I have to get rid of this so that Corey doesn't try anything stupid.

RAVEN walks around the airport and sees a man hanging out by the trash can.

RAVEN

Excuse me sir, I know this may sound weird, but I need to get rid of this box cutter where my brother won't find it. He loves trash so I can't just throw it away. Could you hold onto this for me?

MAN

Yes?

RAVEN

Thank you. You have no idea, but you're a hero for this.

RAVEN and her family board the plane and they're sitting behind the man she gave the boxcutter to. She hears him muttering a prayer in Arabic and realizes she misinterpreted her vision.

RAVEN

Mom, I have to tell you something. I know I have a history of misinterpreting my visions, but I think I really messed up this time.

COREY

Classic Raven, you're what we Arabic speakers like to call ghubaa

TANYA

Cut it out Corey. What is it baby? You can tell me.

RAVEN

That man walking towards the cockpit? I gave him a box cutter because in my vision I thought Corey was going to hijack the plane. But it's him! He's going to do it and we're all gonna die!

VICTOR

Oh no we're not.

RAVEN'S mom and dad take off their belts and Corey spins his pencil he's doing his homework with around like a ninja. They run to the Terrorist who is in the cockpit slashing the pilots throats and COREY stabs him in the leg with his pencil while his parents whip the terrorist about the face and body with their belt buckles. Raven is clawing his face with her fresh nails she got for vacation. The terrorist is dead.

TANYA

See? Now this is how vacation is supposed to be, bringing the family together!

They all hug.

COREY

Wait a second does anyone know how to fly this thing?

RAVEN

I don't even know how to drive a car!

TANYA

(To the passengers) does anybody know how to fly a plane?

The passengers don't respond.

VICTOR

Uhh just kidding folks. We just hit some turbulence but everything's fine.

COREY

Turbulence kinda sounds like turban. Haha!

The plane crashes into a field in Pennsylvania and there are no survivors. CHYRON: In Memory of all who lost their lives on 9/11/2001
